

CRISA 2 aims to enable a sharpened recognition of how investment arrangements and activities intersect with the environment and society

CRISA 2

1. ESG INTEGRATION

Investment arrangements and activities should reflect a systematic approach to integrating material environmental, social and governance (ESG) factors

2. STEWARDSHIP

Investment arrangements and activities should demonstrate the acceptance of ownership rights and responsibilities diligently enabling effective stewardship

3. CAPACITY BUILDING & COLLABORATION

Acceptance and implementation of the principles of CRISA 2 and other applicable codes and standards should be promoted through collaborative approaches (as appropriate) and targeted capacity building throughout the investment industry

4. GOVERNANCE

Sound governance structures and processes should be in place (including at all levels of the organisation) to enable investment arrangements and activities that reflect and promote effective stewardship and responsible investment, including proactively managing conflicts of interest

5. TRANSPARENCY

Investment organisations should ensure that disclosures are meaningful, timely and accessible to enable stakeholders to make informed assessments of progress towards the achievement of positive outcomes

MAIN OBJECTIVE

The main objective of CRISA 2 is to reaffirm a framework of principles for stewardship and responsible investment as a key component of the South African governance framework.
